A Treatise on Money – Acton Bookshop

A Treatise on Money is a selection from Luis de Molina's larger work On Justice and Right. In these selections, he examines the various kinds of contracts and businessmen of his day and applies the scholastic method to analyze the nature of currency and exchange, offering a unique and indispensable look into the origins of modern monetary theory.

A Treatise on the Alteration of Money – Acton Bookshop

In this treatise we find an insightful analysis concerning how monetary debasement and inflation increase prices, which proceeds to illustrate how such increases do not affect everyone equally—in effect, causing a

revolution in fortunes. In a parallel argument, Mariana explains how government, if given control of other
